Report of Principal and School Improvement Council

The mission of Bells Elementary School is to build success through teamwork in a safe and welcoming environment where every child is nurtured to achieve academic excellence through higher expectations, enabling them to become productive and lifelong learners. Bells is a Reading First school and utilizes best practices to enable every student to hit high standards.

Instruction at Bells is standards-driven. The rituals and routines in reading and math blocks prepare students to deal with demanding content and become independent learners. Inquiry-based science and social studies are integrated into the instructional program. Independent Consultants in English language arts, mathematics, science, and social studies are utilized in the upper elementary grades. Literacy, science and math coaches assist teachers in implementing standards-based learning activities.

Instruction at Bells is data-driven. Bells has become a Reading First school. Teachers use Dominie Reading & Writing Assessment Portfolios and running records to assess students' reading progress. Reading Renaissance tracks students' "just right" reading levels. MAP (Measures of Academic Progress from the Northwest Evaluation Association) program assists teachers in grades 2-5 to develop targeted, student-focused, data-driven decisions regarding instructional strategies. Orchard software assigns instructional exercises based on the students' assessed weaknesses and strengths. The students remediate in safety nets, such as short-term, skill-specific focus groups, after-school homework, and summer enrichment.

Instruction at Bells is student-support driven. Learning takes place in an environment conducive to learning. The guidance counselor guides and structures students' educational and vocational direction. The Student Concerns Specialist aids students, teachers, and parents in creating better disciplined students. The school nurse promotes attendance at school through healthy choices.

The principal leads school-wide planning through the collaboration of the leadership team with parents and the school community through PTO and School Improvement Council. Bells Explorers "strive for excellence" and students are empowered to reach their academic potential. Bells Elementary has taken proactive measures toward success that targets each student's performance and gets results.
